Innovative Protection, Exceptional Design

Roofing sheets that blend durability with elegance.

About Us

At Innovative Roof Tech Pvt. Ltd., we are dedicated to setting new standards in roofing solutions. With a commitment to quality and innovation, we deliver advanced roofing products that offer unmatched durability, performance, and aesthetic appeal. Our mission is to provide roofing systems that are not only built to protect but also enhance the architectural beauty of any structure.

We take pride in being a pioneer in supplying uPVC roofing solutions across Tamil Nadu, Kerala, Pondicherry, Karnataka, and Andhra Pradesh. With a dedicated team of skilled professionals, we are ready to serve 24/7, ensuring immediate support for all your roofing needs.

Our Vision

To lead the roofing industry with sustainable, high-performance roofing solutions that redefine durability and design.

Our Mission

To deliver high-quality, eco-friendly roofing products that combine advanced technology with customer satisfaction, meeting the highest industry standards.

What we offer ?

Innovative Roofing Sheets

Durable, lightweight, and built to endure extreme weather, our roofing sheets are designed for longevity and style.

Advanced Waterproofing

Ensuring top-notch water resistance, our products are ideal for various climates and provide reliable protection.

Energy-Efficient Options

Our roofing solutions include materials that enhance thermal insulation, reducing energy consumption and costs.

Custom Solutions

With a wide variety of styles, colors, and finishes, we provide roofing that complements any architectural vision.
